

- **Uninsured/Underinsured Limit:**
Maintain a minimum uninsured/underinsured limit of \$250,000/\$500,000 or a combined single limit (CSL) of \$500,000. This coverage protects you in the event of an accident where the at-fault party either lacks insurance or has insufficient coverage to pay for your injuries
- **Lease/Loan Gap or Repair/Replacement Cost:**
If your vehicle is new or has a loan, verify that your policy includes a "lease/loan gap" endorsement. "Lease/loan gap" coverage bridges the gap between your loan and the depreciated value of your car in the event of a total loss.

ADDITIONAL COVERAGES:

- **Umbrella or Excess Liability Policy:**
It is essential to have a minimum bodily injury liability limit of \$250,000/\$500,000 or a combined single limit (CSL) of \$500,000. We recommend an Umbrella Policy for additional coverage.

With these proactive measures, you can rest assured knowing that your property is adequately protected under your insurance policy.
